

WORLD OF RADIO #1104, produced November 5, 2001 by Glenn Hauser

- *To read much more about many of the stories on WOR, check DX Listening Digest via <https://www.angelfire.com/ok/worldofradio/> and look thru the menu; also <http://worldofradio.com/>
- *Contact us at wghauser@hotmail.com or fax 1-580-233-2948 attn Hauser
- *New Zealand TV video and audio received by Jeff Kadet, Illinois
- *Jonathan Schier, very unpopular head of Australia's ABC, finally resigned, causing Schier bliss; see <http://www.theage.com.au/news/national/2001/11/01/FFXQIEZYFTC.html>
<http://www.theage.com.au/news/state/2001/11/02/FFXGN8P4ITC.html>
- *Fifth harmonic from China heard on 25 MHz band
- *Perpetual mistake in CRI's own schedule re morning English to WNAm
- *BBS, Bhutan, changed timezone and English broadcast schedule, mostly in daytime; new programs include one about Internet; see <http://www.bbs.com.bt> and full schedule in DXLD 1-166
- *All India Radio's full GOS schedule in English
- *BBC Monitoring still hears only one of three Commando Solo MW frequencies; why? Ground conductivity poor, or does it matter with an airborne MW transmitter not using radials; and does altitude really have any effect on MW coverage?
- *US military is jamming GPS signals in Afghanistan so Taliban cannot use them either; for links see <http://www.medianetwork.nl>
- *A BBC soap opera to Afghanistan remains extremely popular; why that is, and a translated script at <http://www.smh.com.au/news/0111/03/world/world14.html>
- *R. Tashkent, Uzbekistan, new B-01 frequencies in English to Europe
- *Kyrgyzstan wants more Asian broadcasts in Kyrgyz, such as from Iran
- *Standard disclaimer
- *The 1,104th more or less consecutive edition of World of Radio
- *Thanks this time for financial support go to: Bill Flynn
- *Eastern Radio, pro-Israeli, anti-Syrian MW station, expands schedule, also via <http://www.carmelnews.org>
- *ZBC, Zimbabwe to be commercialised, but fully owned by government, per <http://www.misa.org>
- *Eric Beauchemin's report on visit to V. of Nigeria, station being revitalised, also at <http://www.medianetwork.nl> with links
- *New VON English broadcast heard well in Victoria
- *R. Ghana heard in French, new language for them?
- *V. of Greece new schedule shows only one frequency for North America in our evenings; times confirmed for weekend English hours, Hellenes Around the World, and It's All Greek to Me
- *Romania signs deal with Harris to upgrade broadcast infrastructure, \$85 million over 3-5 years; hope it includes new SW transmitters
- *V. of Russia's new English schedule to North America
- *33 MHz signal from Russia believed to be over the horizon radar
- *Polish Radio's new English schedule, mainly for Europe
- *R. Slovakia International's new English schedule; see website for a contest to win two weeks in a Slovakian spa: <http://www.slovakradio.sk/rsi>
- *Argentine pirate heard on 12 MHz band

*Bolivian reactivated, R. La Voz del Campesino, Sipe Sipe
*HCJB has demoted some programs to segments within Studio 9, including
Ham Radio Today, Musica del Ecuador
*New Colombian station appeared out of nowhere on 7 MHz band, sounds
like Idea Radio, all-music with two English and Spanish IDs per hour
(recording at 1101 UT); frequency clashes with Moscu in evening
*R. Habana off the air as hurricane went thru; for protection?
*New DX program from USA, but in Portuguese from Voz Crista, Miami,
via Chile to Brasil
*Fugitive Steve Anderson of United Patriot Radio still missing; Posse
Comitatus website about to close down as webmaster going to work
fulltime for Aryan Nation
*MW harmonics on 2 MHz band, from Georgia, New York, and New York
*In major TV markets, St. Louis, ABC affiliate quit doing news, due
to very low ratings, poor UHF signal
*Why does auroral activity seem to peak in October and March? See
http://science.nasa.gov/headlines/y2001/ast26oct_1.htm?list458954
*This World of Radio has been 1104; I`m Glenn Hauser, inviting you to
hear me again next week
